EUROMEET NORWAY 2016

GAMLEBYEN FREDRIKSTAD

Fredrikstad Motell og Camping
Gamlebyen, 1600 Fredrikstad

Eurommeet is once again on Norwegian hands and with pride and joy we welcome you to one of the great sights in Norway, namely Gamlebyen Fredrikstad (Old Town of Fredrikstad). This is the best preserved fortress town of Scandinavia.

The car exhibition will be arranged within the Old Town. In parallel a fair is taking place on the Kings market place, so the Old Town will be packed with people.

If all the shops, cafés, museums and other sights are not enough, we recommend taking the ferry over the canal to down town Fredrikstad – commercial center of the city (departure every 30 minutes and it is free), so the possibilities for shopping etc. are very good.

Close by the campground you'll find Kongstenhallen that have indoor and outdoor bathing facilities and also a bowling alley. And on top of this, the campground itself has a full-grown golf course.

All of this plus an agreement with the Clerks of the Weather should make this a wonderful meeting weekend for the whole family.

If you consider a little bit longer trip, we suggest a visit to the retro/lifestyle shop Føniks in Halden. For more info check: www.nostalgia.no

And it's actually not that far away, only about 30 – 40 minutes by car from the camping ground. Føniks have everything for the enthusiast plus a bit more, definitely worth visiting.

Fredrikstad is located in the county of Østfold and besides Sarpsborg and Halden this is probably the area in Norway where you'll find the most extensive interest in classic American cars.

We hope many will come both domestic and from abroad. This is a real nice opportunity to show your classic car in fantastic surroundings.

This time we have also invited Nash and Hudson and we hope we will be able to show you some of the fantastic AMC cars used in drag racing.

We have made some changes in the classes this year and will line up the following classes during the Euromeet:

- Small / Medium size
- Full size
- Sport / Muscle car
- Jeep from 1970 to 1987

Awards in all classes with 3 or more cars by jury and Car of the weekend by the public.

Overnight accommodations:

We have booked cottages at Fredrikstad Motell & Camping. In addition the camping also has rooms for hire and possibilities for camping with tent or caravan. The camping ground is located right next to the Old Town and also close to down town Fredrikstad. Less than 20 minutes walking distance.

The cottages are modern with 2 bedrooms, shower, toilet and a living room with kitchen. Each bedroom has a bunk bed with a double bed underneath and a single bed on top, so totally room for 3 persons per bedroom.
